To students, families and friends,

School Council
Advertised in today’s newsletter is some information regarding the Specimen Hill Primary School Council. Every year we seek nominations from at least four parents who are willing to participate on council for a two year tenure. The expectation is that the elected members attend at least 8 Council meetings per year along with a commitment to a council sub-committee which includes: Environment, Wellbeing, Student Learning or Management. The information in this newsletter clearly outlines the role of council members and nomination forms are available from the front office. Parents can be nominated by another parent (both to sign) or you can self-nominate. Elections occur if the number of parents nominated exceeds the number of members required.

At Speci we are extremely fortunate to have a hard-working, cohesive group of interested people as our council members, who focus on Speci operating as a highly engaging, successful and high functioning school.

Please do not hesitate to see me if you require further information or have questions.

I would like to take this opportunity to thank the outgoing council members who have just completed their two year tenure. These members are: Dean Stewart, Hayley Davis, Marie Cox, and Naomi Evans. Staff members are Joanne Bergin and Helen Turpie and our two community representatives are Trevor Humphrey and Wayne Sherriff. All of these members have made an outstanding contribution to the Specimen Hill community and environment. They have displayed passion and hard work in a range of involvement on the council, sub committees and towards the school. This has been sincerely appreciated by the whole community.

School Uniforms
All students are expected to be in full uniform every day. We are fortunate to have a uniform shop on the school premises and all items are at cost price. There are some ‘preloved’ uniforms available in limited sizes at no cost. The new supply will be arriving this week. Please see Wendy or Kaye at the Office.

Dangling earrings and jewellery apart from a watch, jeans or jean shorts, make-up and peaked caps are not approved and should not be worn. If a child is out of uniform it is necessary that they have a note of explanation from their parents.

Injuries
If a child is injured at school we will always contact the parent or an emergency contact if it is deemed necessary. Most incidents are minor and can be dealt with at school. If you wish for your child to be covered by personal insurance this needs to be carried our privately as children at school are not covered by injury insurance as a whole.

Meet and Greet Information meetings
Meet and Greet Information meetings will be occurring during week 5 of the term (Thursday 27th Feb) This is an opportunity for all parents to ‘officially’ meet their child’s new teacher and to discuss any concerns or any information that your child’s teacher should know. This year we will be trialling an electronic timetable system which should be more convenient for everyone.

Parking
A reminder in regards to parking around the school. A letter was sent home yesterday (on blue paper) clearly stating the issues. The inspectors visited last Friday and Monday with further visits planned. Fines will be issued to anyone not abiding by the road or parking rules. Please be respectable and safe at all times.

Please do not hesitate to contact Corey or myself if you have any concerns.

**SENIOR CLASSES**
This week sure has been a busy one! The netbook program has begun.... A huge thankyou to Mr Sing for running our information sessions and helping to set up students computers.
Emphasis needs to be placed on ‘personal organisation’ this year. All classes will be beginning homework tasks and nightly reading. It is expected that all students complete tasks and are organised for the week. We would like to welcome Shengjai Wang to the senior department. Shengjai will be running this years Chinese program. Lessons commenced today and the children had a great time making lanterns to celebrate the Chinese New Year. It looks to be an enjoyable program!
*Hayden, Leah, Scott and Rebecca.*

**MIDDLE CLASSES**
Please ensure that your child is reading each night and completing any homework tasks set by their classroom teacher. Your assistance with this is greatly appreciated.
Now the children have settled into class and playtime routine, it is important they are loaded with sufficient nutritious food to keep them going all day long. Extra sandwiches, fruit for snacks and water to keep them hydrated.

**The Queenscliff Camp** Interest note must be returned this Fri 14th Feb for final confirmation of numbers. A $50 deposit will be required by Wed 19th Feb and full payment of $200 by Wed 19th March.
*Natalie, Adam and Julian*

**JUNIOR CLASSES**
We have been very busy at school over the last couple of weeks. Our Integrated Studies unit covers aspects about the children as individuals. We have made birthday charts and graphs of eye colours. The “me” bags have been wonderful to look at. There are a few children who haven’t brought one to school yet so we are looking forward to seeing them.
In Reading we have been building strategies to work out unknown words. These include looking at letters and pictures, reading on and thinking about what happened previously in the text.
In Writing we have been developing recounts about the holidays and weekends.
In Numeracy we have been practising counting as well as looking at the months of the year and creating calendars.
Some classes have been taking home spelling books and others will start soon. They contain a few words to practise each night for a week and then the words are tested at school. Please remember to bring the book to school each day.
Children need to bring a library bag to school so they can borrow from the library. A cloth bag or sturdy plastic bag would be good.
*Joan, Brad, Jacqui, Jo and Jenny*

**PREP CLASSES**
Another great start to the week for Preps. We are talking about the words ‘I’ and ‘went’ along with our alphabet sounds for ‘a’ and ‘t’. Parents are doing a fabulous job of reading with their children every night and signing the yellow books. This sets a wonderful standard for the whole year.
Please make sure you write your child’s name on all items of clothing and lunch boxes etc. It is very easy for us to return them to owners when they are clearly named. We are working our way through the beautiful ‘ME’ bags, the children are enjoying finding out about their classmates.
Nude Food: Congratulations Prep H for the great start to the year with 15 wrappers last Thursday. It is fabulous to see so many children with NO wrappers in their lunch boxes any day of the week. Thank you to the parents/carers who are supporting healthy eating and our wrapper free culture.
Interviews are going well, thank you to parents/carers for bringing them in on time each Wednesday. You will receive an interview reminder on the Tuesday night before your interview.
*Kim, Emily and Joan*

HOME READING......
Students have made a great start across the school with their home reading. We ask that you continue to monitor your child’s reading throughout the year. Teachers will be assessing all students (except Preps) over the next few weeks to ensure that they are reading material that will help to further develop their reading skills. Students need to read material that is slightly challenging, but not too challenging. As students become more proficient readers, the emphasis changes to ensuring students are reading material that they comprehend.

Oral language underpins all learning. We need to learn to speak before we can attempt to read or write. At every opportunity we need to encourage children to become proficient speakers as well as listeners. We use words to think and the more words we have and understand, the better we are able to think and learn. I would encourage all parents to take every opportunity to help their child further develop their oral language. Here are some ways you can develop your child’s oral language;

- Insist on children using sentences when they speak. ‘We speak in sentences’
- Read and discuss books with your child on a daily basis.
- Provide wide and varied experiences for them. Trips to the pool, zoo, painting, building cubbies etc
- Encourage children to elaborate on their ideas. “Yes it is an elephant, but what else?” Talk, talk and talk some more. (I know sometimes all we want is a little peace)
- Introduce and explain the meaning of new words. The wider your vocabulary the more you will understand what you hear and read.
- Encourage children to also be active listeners, who ask questions about what they are hearing and seeing.
- Discuss what they watch on television with them. Ask questions that require more detailed answers rather than yes/no answers.

3/4 CAMP 2014
Students in Years 3 and 4 in 2014 will have the opportunity to participate in a 3 day / 2night camp to Queenscliff staying at Cottage by The Sea during the first week of April 2014. This is a wonderful camp where students have the opportunity to go rock pooling with knowledgeable guides, visit the Marine Centre to experience marine animals up close, visit the Queenscliff Fort and conclude with a visit to The Fairy Park on their way home. In addition to this students will spend leisure time, enjoying the playgrounds at the camp and playing on the beach, with their friends and teachers.
A great time is had by all!
Expression of Interest NEED TO BE RETURNED BY FEB 14TH
A deposit of $50.00 be paid to secure their place on camp.

Nomination forms are available from the front office.

Term of office: From declaration of the poll 2014 until declaration of the poll 2016.

THANK YOU
I would like to take this opportunity to thank the School Councillors –
Parent members - Dean Stewart, Hayley Davis, Marie Cox and Naomi Evans
Co-opted members - Wayne Sherriff and Trevor Humphrey.
Staff members – Helen Turpie and Joanne Bergin
all whose term as Specimen Hill Primary School Councillors has been completed.
We appreciate their many contributions and dedication over the past two years
for making Specimen Hill Primary a better place and a great school.
Our sincere thanks.
We will be making time in the future to formally thank the outgoing members for their contribution to the Specimen Hill school community.

School Council Elections 2014
What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school
within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
There are three possible categories of membership:
• A mandated elected Parent category. More than one third of the total members must be from this category. Department of Education and Early Childhood development (DEECD) employees can be Parent members at their child’s school.
• A mandated elected DEECD employee category. Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.
• An optional Community member category. Its members are co-opted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.
Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in February or March each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

School Council Elections 2014

What do you need to do to stand for election?
The principal will issue a notice and call for nominations following the commencement of term 1 each year. All school council elections must be completed by the end of March.
If you decide to stand for election, you will need to arrange for someone to nominate and second you as a candidate in either the Parent or DEECD employee category. Once the nomination form is completed, return it to the principal within the time stated on the notice of election.

Remember
• Ask at the school for help if you would like to stand for election and are not sure what to do.
• Consider standing for election to council this year.
• Be sure to vote in the elections.

2014 SCHOOL PAYMENTS

BOOKS & SCHOOL REQUISITES FEE ($100.00 per child)
This payment is for the books, pens, pencils and so forth which the school purchases for your child/children on your behalf. We do this to ensure all children have appropriate school equipment to use and that all is of the same quality. Also we order this material on your behalf so that it arrives at school before the year begins and this enables the classroom teachers to have it ready on day one. This saves you running around trying to get these items early in January.

Please note: Parents who receive the Education Maintenance Allowance (EMA) will have this amount paid by the school, therefore you do not have to pay this fee if you are in receipt of the EMA for the whole year.

School Fee (Family levy) ($40.00 per family)
This is a voluntary fee we request from each family. Each year we spend a considerable amount of money on improving our school grounds and continually extending and upgrading school learning programs. We will continue to do this again in 2014. We ask that each family support the school in its endeavours with a payment of $40.00 for the year.

We are very happy for families to arrange to pay the fees off or pay as a lump sum.

VOLUNTARY EXCURSION LEVY - 2014
Parents are required to pay for excursions and visiting artists and a variety of educational activities throughout the year. Excursions are an important part of your child’s education and help enrich the class programs.

The school is again encouraging parents to pay an excursion levy. The excursion levy alleviates the problems of collecting small amounts of money on a continual basis.

Families who receive EMA receive a payment of $150 per child (Children in Grades 1-6) or $200 per Prep child, per year. As a convenience this amount can be paid over to the school to be used for the excursion levy, uniforms, camps etc., so that they are covered from day one. If you would like to use this option, please tick the “direct deposit to school” option on the EMA form. EMA forms must be returned to the school office by 28th February 2014.

During the year please indicate on your child’s permission form, if you wish to use your levy for an excursion. Please enquire at the school office at any time if you would like to know your excursion levy balance.

NB: Below are approx costs only – you may be requested to pay an additional fee if the levy does not cover all costs
