Awesome Holidays. I went to ten pin bowling. I had KFC. I also played football. I went to EB games and I bought an X-box 360 game. I went to Target and I bought clothes and snacks and I went to my Auntie's place and I can play my Auntie's PS2. By *Brandyn*

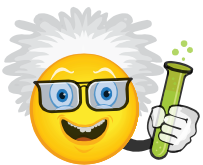

Wow! What a great holiday. Where should I start? Well I went to my Nan's and Courtney and I caught a lizard and we went inside and scared my Nan and I also slept over at my Nan's. then I got a new DS game called Pet Alien and I am on level 4. Next I got dropped off to my house by my Nan and Courtney, Tanika and I all went on the mower and Tanika and Courtney went in the trailer and I drove. I am a very crazy driver and I almost crashed into a tree. But then the petrol ran out. Then I went for a drive with Dad to Echuca to pick up Tai in the ute. I had to chain Tai up and carry him into the back of the ute and then I did the back of the ute up. Last but not least I checked the mouse cage and I saw seven little baby mice. By *Britty*

On the holidays I started moving to another house. We packed our belongings in the car and we have almost finished. I went on a trip to the park and a zoo. We saw kangaroos, lizards, koalas, birds, ant eaters and lots more. I went with Nan, Pop, She Thy, Bowen and myself. By *Blake*

I WILL DESTROY YOU! Is what Natasha and I said but Kia comes in peace. You will probably think we are aliens so I will start again. On the holidays Kia and Natasha came over. They are my step sisters. We went to Smiggles, then came home, ate some fish and chips, but no fish just chips. Then we recorded our voices. I said don't give the Earth's weight in chocolate to Ebony I will destroy you, then I put it in slow motion and it sounded like an alien. Then Natasha said if you don't give 1 million dollars to Natasha I will destroy you. Then I put it in fast motion. It was so funny. But Kia said I come in peace. Then I put it in slow motion and made it slower and slower so it sounded like a whale. Then they had to go. About an hour after they went Mum, Tab and I flew kites in the paddock. By *Ebony*

In my mega holidays it was my sister's birthday. She turned 14. She went to a party, the theme was skank. When I went to my Dad's house I went shopping and got \$30 credit and a new charger for my phone. I went on our laptop and went on MSN. I went to the cinemas. I saw the movie Up. It was awesome. Then we went shopping at Target. By *Shauna*

Wow, what a fantastic holiday. I don't know where to start. Wait I know. This is one of my favourite things I did. Me, Aleisha my sister, and my Mum went to the Bendigo Cinemas. We saw Up and G-force. They were both hilarious. My No 1 favourite one was G-force. It was so funny. I nearly laughed my head off. One of the funny things on the movie was a girl who bought a guinea pig and she dressed it up as a princess and the little girl showed the guinea pig in the mirror and the guinea pig said, "Oh my gosh". It looked like Paris Hilton's Chihuahuas. On Sunday I slept over at my Nan's. I also went to the DFO at half past seven and my friend played over at my place. By *Brooke*

We had a great weekend. I went somewhere. I went to the slate mines. Then I went to a rock. It was cool because you could see the town. Next we went to Devil Cave. That's not it there is more. We went to the top of a mountain. It was great. By *Douglas*
