KIDS CORNER

FROM ROOM 9 – GRADE 3/4 BACHAS

**Elaboration** - Books are better than T.V. because they don’t use electricity. If you read a book it doesn’t use electricity that means you don’t have to pay your bills and it saves electricity for the environment.

**Finding Adjectives** - Miss Honey had a lovely pale face. She also had blue eyes with light brown hair. She was so slim and fragile.

**Finding Adjectives** - Miss Honey has a lovely pale oval Madonna face with blue eyes and her hair was a light brown. Her body was so slim and fragile that some little kids would think if she fell over she would break into a thousand pieces. Miss Honey never raised her voice and loved being adored by other children. Miss Trunchbull was a fierce and dangerous lady. She frightened the life out of children. She was a gigantic holy terror.

I get to do what I want to do at Grandpa’s house  
I help Grandpa with gardening and I play in the tree house.  
I put the spiky balls in the tree house, it’s so much fun.

I have so much fun with my Nonnor  
My Nonnor cooks very, very good Italian pasta  
We go to the beach and play  
Nonnor and I wake the earliest  
We go to the shops  
He sets me on his exercise ball  
When I want something he gives me some money  
He is really loud in the morning

I love going to Pa’s house
Feeding the goats
Watching them munch down the grass
And looking at his boat.

We go across the road to look at the foxes
We play footy and board games
When we’re home I like to put a cardboard box
On his head
I laugh and laugh and Pa does the same.

Pop
My pop and I have lots of fun
When we’re counting sheep
My pop likes to drive
and likes to beep

He takes me fishing
All night long
He strives for glory
most of the night driving cars in races

Nanny
My Nanny is the best
She has 2 dogs
We take them for walks
While we’re walking she’d buy us lollies

Grandma
I Have a great time at my Grandma´s house
Looking through her magnets
Going for bush walks
Looking at the moon through her binoculars.

It is fun when she takes us to the park
And when she takes us places
When we are good she buys ice cream,
she makes it a surprise
She makes good bacon and eggs.

We love to talk

My Nan
My Nan and I walk to the shops
When I do my jobs, I get a treat.
I feed the sheep and cows.
My pa grows wheat.

When a mini tornado comes past from the river
It drops fish in their dam
I catch yabbies and fish
I ride motorbikes round the paddock.

Opah
Opah is what I call my grandad
He has turned up to nearly all my special occasions
He used to be a boxer
My dad said he was a good one

He is very nice
And the only grandpa I know
He now lives in a retirement home
But I can still keep in touch with him.

I have such fun at grandma’s house.
Looking for things that my grandpa had.
I also like to walk my grandma’s dog when we go out.
I love to play word search games with my Grandma.

I have such fun at my Nonna’s house.
Looking for memories that they will always have.
I like when my Nonna makes her home made pizza.
I like when I get to go on their farm and pick some fruit all the time.

I love going to see my Pa.
We like to go to the park.
We go on the big swing.
But sometimes the slide is covered in bark.

My Pa likes to bake,
My Pa likes to cook,
Spaghetti and lasagne,
But he has to use his cook book.

By Jeremy W

We used to go fishing together
He had a really good speed boat
I just sat down and watched as they caught fish
They mostly caught flathead.

There haven’t been many times I saw Opah
But the times I have seen him, I treasure.

I love spending time at Grandma’s house
Looking through old photos, black and white
Memories of past times with family and pets
Everything is just right

Sometimes she tells me stories
About when mum was my age
I love listening to her stories
An adventure on every page

By Maddi S

I loved spending time with my Granny
Listening to her stories they never got boring
She loved to cook and sometimes I helped her
But cooking wasn’t all she loved doing

She loved sewing and sometimes she’d sew something for us
She’d always make the best apple rhubarb pie
She would feed us like Kings and Queens
But on the 2nd of December 2010 we had to say goodbye

By Victoria L

She doesn’t like flies. She gives me money for my birthday
And we go for walks with her dog Max.
She makes the best raspberry pie.

She is really nice
She looks after me when mum is at hospital.
We go shopping together on the weekends.
It’s impossible to hate her smile.
